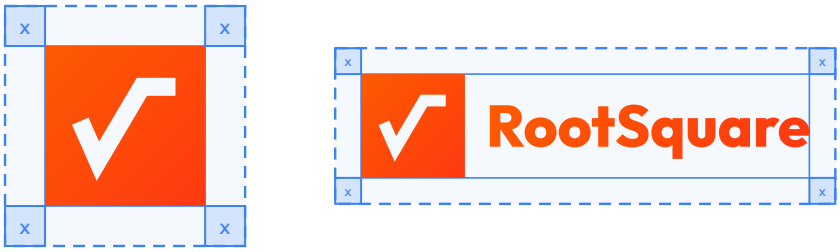
RootSquare logo usage

v1.1 · 2026-10-26

1 Clear space



Keep a margin of x on every side, free of text, edges and other graphics. For the mark, the primary logo and both lockups, x = 1/4 of the window side (the mark's height). For the wordmark alone, x = 1/2 of the cap height of R. Full diagram: rootsquare_clearspace_colour_rgb.svg.
